

Curtain up — light the lights — Newark's one and only law school proudly presented Mrs. Eva Hanna Morreale Hanks!

And so goes Professor Mendlovitz: "i.e., e.g., that is, for example, i.e., that is to say, by which I mean, that is, e.g."

While the play may be the thing, Professors Allan Axelrod, Eva Hanks and Robert Carter seem secure in their knowledge about who in fact will get the last laugh.

PROFESSOR MORAN: "SEZ WHO? SEZ MEI!"
