"King's Bench"

To foster and encourage the study of law, and raise the standards of scholarship of New Jersey Law School.

To reward those students of the New Jersey Law School, who have graduated or shall graduate, with scholastic honors, by election to this organization.

To make election to this society the highest attainable distinction of scholarship.

The Student Counsel and Faculty of New Jersey Law School, wishing to reward those students whose diligence and industry characterize them as leaders in legal attainment in their law school activities and recognizing the suitability of an honorary legal fraternity to effectuate that purpose, did, at the Commencement Exercises in June, 1928, announce and establish the Honorary Society of King's Bench, whose objects and purposes are as above enumerated.

Early in the fall of 1928, a meeting of the society was called for the purpose of effecting organization, adopting a constitution and electing officers. In keeping with the spirit of the common law our offices have been named after the appellations given to the judges and officials of that "high and honorable court" of King's Bench, and of other important tribunals existing during early English jurisprudence.

The society now holds monthly meetings at which a member renders a dissertation on some important phase of the law. To those members of the graduating class, who shall soon grace our court, we say "Palmam qui merit ferat."

The New Jersey Law School Teaching Fellowship

After considering the applicants from New Jersey Law School and from other law schools it was decided to award the fellowship for the year 1929 to Mr. Franklin J. Marryott. Mr. Marryott matriculated at Rutgers University, from which institution he graduated in 1925 with the degree of Bachelor of Letters. At Rutgers he was a leader in campus activities, being a member of the Student Council, President of the Association of Campus Activists, President of the Band, President of the Musical Club, an honor student for four years, and member of Cap and Skull, the senior honorary society. Mr. Marryott is a member of Chi Phi Fraternity.

Upon graduating from Rutgers University he entered N. J. Law School in the Fall of 1925. While attending Law School he taught at the Middlesex County Vocational School at New Brunswick. In 1928 Mr. Marryott received his LL.B. degree from N. J. Law School and was also elected to Seal and Scroll. In the Fall of 1928, following his graduation from the Law School, he was appointed Assistant to the Dean, and at the 1929 commencement the New Jersey Law School conferred upon Mr. Marryott one of his highest honors by awarding to him the 1929 New Jersey Law School Teaching Fellowship. In order to carry out one of the essential requirements of the award, Mr. Marryott is at present instructing in Equity Jurisprudence.
